PERFECTING GOLF CLOTHING SINCE 1891

Glenmuir today remains a family business, committed to creating golf clothing with unparalleled dedication to craftsmanship. Our heritage is knitted into every garment, balancing tradition with innovation.

Glenmuir's spirit is defined by our love for the game, bringing together players of every level and generation. Our clothing is a testament to the timeless elegance and enduring quality that is central to the golfing tradition, making every wearer's experience uniquely Glenmuir.

Thank you for being part of our journey.

Dear Tom,

I have been enquiring about you to-day, and find you are still unwell, which I am sorry to hear. I trust, however, that you will soon, with the change of the season, make good recovery.

Immediately you are well enough, I should like you to visit Dr. Adams, so that he will be able to tell me whether you are at the most suitable job for your state of health.

With your long idle time, I rather suspect you will be finding it a little difficult perhaps to get some of the good things which would help you to recover. I am venturing to send you a little remembrance, which, I think, your Mother will be able to expend in getting you some little dainties that might help you to recover your strength again.

With kind regards.

**MADE IN SCOTLAND
BRITISH LAMBSWOOL**

Made from the finest and strongest fibres of the first shearing of a sheep, these fibres are spun thicker than our merino sweaters for added warmth. We achieve a resilient, durable shrink-resistant piece of knitwear with excellent anti-pill performance, which is machine washable. Lambswool is thermoregulating, hypo-allergenic and breathes naturally. Each sweater is

hand-knitted using the skills and craftsmanship of generations of expert wool makers, with stitches linked manually, here in Scotland.

MADE IN ITALY EXTRA FINE MERINO

Made from the finest Italian-spun merino wool delivering a soft handle and a flattering drape whilst being machine washable and shrink-resistant. We select the strongest fibres of the merino fleece to ensure outstanding durability and resilience. Active smart fibre reacts to absorb and release moisture, becoming breathable in the warmth whilst insulating in cooler temperatures. Anti-bacterial, odour reducing and protects from harmful UV radiation. Each sweater is hand-knitted by craftspeople in Italy, with stitches linked manually.
